

Steaker Contract Simple Audit Report

github.com/artl-dev/protocol

DISCLAIMER

The audit makes no statements or guarantee about utility of the code, safety of the code, regulatory regime for the business model, or any other statements about fitness of the contracts to purpose, or their bugfree status. The audit documentation is for discussion purposes only. We always recommend having a bug bounty program opened to detect future bugs.

AUDIT DETAILS

Data privacy, data leaking	PASS
